## **BIG ROCK FIRESIDE CHATS**

**Step back. Get real. Move forward.**

You're not alone—and you don't have to lead alone.

**Big Rock Fireside Chats** are 89-minute sessions with peers to share experiences on key second-stage issues. These aren't surface-level updates or empty networking. You'll check in on your own leadership, hear what others are wrestling with, and tackle a live challenge in the room.

Each session blends structure with space—space to be honest, get perspective, and learn from those who truly understand the entrepreneurial path.

**This is where clarity, courage, and connection happen.**

### **◆ This is for you if you're:**

- Craving honest, no-fluff conversations
- Ready to share your story and learn from others
- Looking for insight that's personal, not prescriptive

### **◆ What to expect:**

- 89 minutes
- Monthly virtual peer sessions
- Structured check-in + founder insight + live problem-solving
- Confidential, facilitated, and focused

Leadership doesn't have to be lonely. Find your people—and your path forward.
